

Evolution Events

Overview

Evolution Events is a young and dynamic agency, recognized and appreciated in the personnel recruitment field both in Italy and the rest of the world. We assist clients in all types of events through a dense and proven network of collaborators. Experience, expertise, bilingual staff and quality of service are the parameters that most characterize us and push us towards new goals.

Sustainability

We seek staff who always live locally to avoid immoderate use of private cars, favoring public transportation and promoting the importance of the local area.
