Post Covid Emergency

The protocol adopted for the events strictly follows that one established by Federcongressi (social distance, separate entry and exit, obligation to wear a face covering device and hand sanitization, exclusively digital attendance detection etc.). As for the guided tours, we keep the use of tourist buses at 50% and the obligation of face covering device for the participants. The groups are made up of a maximum of ten people, if they are higher they are divided.

We are also able to organize a rapid tampon service management for events where required. All staff have been instructed on the safety protocol.
