

Bologna, Safe City for Events

Safe Destination
is Bologna

Bologna, an event-oriented destination

Bologna takes care of You

Bologna Convention Bureau is a business unit within Bologna Welcome created with the aim of promoting the destination as the perfect location for congresses and events, and represents a **network of over 80 operators within the Metropolitan City of Bologna**, including **venues** of different types, **PCOs and event organization agencies, as well as companies supplying collateral services.**

For those who wish to organize an event of any kind and accommodation capacity, **Bologna Convention Bureau and its staff are at your complete disposal** for any information and will support you in your choice among the manifold new possibilities of the destination free of charge.

Venues

All available locations in the Metropolitan City of Bologna have undergone a rearrangement process of their spaces in compliance with the regional Guidelines for congresses, conventions and similar events; the maximum number of participants for every event will be assessed according to the capacity of the spaces in order to reduce crowding and ensure the required social distance.

The spaces' sanitation and reorganization allow for an orderly access as to avoid gatherings of people ensuring the maintenance of at least one meter of distance between people; the venues are thus ready to host events in total safety.

PCO and Event organization agencies

The Professional Congress Organizers and Event Organization Agencies of the Metropolitan City of Bologna commit to guiding and supporting the event promoters to facilitate their organization, offering secretarial services and coordinating all collateral services in new ways and in full compliance with the current regulations.

Services

The event and service providing suppliers have remodeled their offer range with brand new services in compliance with the regulation in force, such as:

- highly trained personnel services
- increasingly performing digital technologies to allow for the realization of even hybrid events
- catering services for the administration of food according to current standards
- installations respecting the minimum space standards
- transports carried out safely and many more.
