Post Covid Emergency

In order to minimize exposure to viruses and in particular to COVID-19, all Gruppo UNA hotels and resorts have adopted specific protocols and rules of conduct, maintaining high hotel standards and careful safety procedures. In addition to ordinary and occasional activities (cleaning and maintenance of environments and equipment, breakdowns, reactivation of plants, etc.), to the indications contained in the guidelines of the World Health Organization, the Italian Health Ministry, the National Institute of Health and the national protocol "Safe Welcome" drawn up by Federalberghi, Italian Association Confindustria Alberghi and Asshotel (the associations that most represent national tourism companies), Gruppo UNA has activated the official UNASafe protocol, a series of operational measures aimed at ensuring maximum safety for their own guests. In particular, three macro areas of intervention:

- cleaning and implementation of medical health facilities;
- social distancing;
- behavioral and safety practices

The areas governed by the above guidelines are:

WELCOME area used to welcome the Guests.

ROOMS areas equipped for the overnight stay of the Guests.

COMMON AREAS areas for the accessibility of Guests.

RESTAURANT AREAS areas equipped for the bar service and for the Breakfast, Lunch and Dinner

For information and details relating to specific protocols for managing rooms and common areas, including conference and meeting rooms, the complete UNASafe protocol can be viewed here: [here https://www.gruppouna.it/en/covid-19](https://www.gruppouna.it/en/covid-19)
