FINAL 8

18-23 NOVEMBER 2025, BOLOGNA
VIP & CORPORATE HOSPITALITY

Since 1900, the Davis Cup has been a cornerstone of the tennis calendar – the oldest annual international team competition in the sport. The inaugural edition saw the United States triumph over Great Britain, and since then, 16 nations have lifted the prestigious trophy donated by Dwight Davis.

For 125 years, the Davis Cup has brought nations together, inspired passion, and celebrated teamwork over individual glory – creating a unique connection between players and fans, fueled by national pride. With over 150 countries involved and matches played across 70 nations worldwide, the Davis Cup today stands as a true symbol of inclusivity.

It is the stage where tennis legends are born. The list of champions who have competed and won includes all the most iconic names in tennis history – from Rod Laver to Roger Federer, from Andre Agassi to Rafael Nadal, up to now rising stars like Jannik Sinner, who played a key role in Italy's victories in 2023 and 2024.

FINAL 8 - BOLOGNA

The Davis Cup Final 8 will take place at the SuperTennis Arena, located within BolognaFiere, a prestigious exhibition center in the San Donato district, easily accessible from the city center.

ITALY - WORLD CHAMPIONS

This is the team that has dominated the last two editions in Malaga. It is the team to beat — the reigning world champion and No. 1 in the ITF rankings. The victory over the Netherlands in the 2024 final secured Italy's third Davis Cup title, following previous wins in 1976 and 2023.

Under the leadership of captain Filippo Volandri, Jannik Sinner stands out as the driving force behind Italy's 2024 triumph and the dominant figure of a season that saw him ascend to the top of the world rankings. Supporting him is a solid core of top-100 players, making up one of the youngest and most exciting squads on the international tennis stage.

Italy will make its season debut in the Final 8, and for the first time, it will defend the world title on home soil backed by its passionate fans. Supporters who have already played a key role in Italy's recent success, creating a unique atmosphere during the three Group Stage editions hosted in recent years, each one sold-out whenever the Azzurri took to the court.

Recent history tells the story of a success that began long ago. Italy first competed in the Davis Cup in 1922 and has participated in every edition since, winning the title in 1976, 2023, and 2024, and reaching seven finals overall. Tennis legend Nicola Pietrangeli — an icon of Italian sport — holds the all-time record for Davis Cup appearances, with 164 matches played wearing the Azzurri jersey.
