

Noema Congressi

Overview

Noema is a PCO which operates nationally and internationally in the sector of events organization and public relations. It has 10 employees, as well as a network of permanent collaborators. In 2011 it obtained the certification in the System for Quality Management according to the law UNI EN ISO 9001:2008.

Noema is CME Provider at the Ministry of Health since 2001, according to the old legislation and from 2011 according to the new Regulation, and therefore it provides RES-FSC and FAD training - synchronous and to asynchronous. It offers strategic and organizational advice related to accreditation procedures, ethical and normative codes in the health sector.
