

Fondazione MAST

Overview
MAST Foundation is an international, cultural and philanthropic institution, based on Technology, Art and Innovation. An architectural work of great impact, the MAST Foundation intends to encourage the development of creativity and entrepreneurship among the younger generations. MAST is a city within a city: from the Academy to the Auditorium, from the Restaurant to the Cafeteria with the large terrace, its spaces can accommodate and enhance different types of events: institutional, motivational, educational, entertainment.
