## Overview

Located just outside Bologna and set within an 80,000 sqm centuries-old park, Palazzo Albergati is one of the most impressive historic residences in the area. A remarkable example of 17th-century Emilian Baroque architecture, it stands out for its historical and artistic value and the versatility of its spaces, making it ideal for corporate, institutional, cultural, and private events.

With 12,000 sqm spread across four levels, the venue offers unique settings for meetings, ceremonies, conferences, fairs, and receptions. Original frescoes, noble halls, period furnishings, and historic cellars create a truly captivating atmosphere. Among the most iconic spaces is the Salone d'Onore, rising over 30 meters to the central tower.
