

# Palazzo Pallavicini

---

## Overview

Host your events, conventions, trade fairs, exhibitions and exclusive evenings in a unique, timeless setting in the heart of Bologna.

Palazzo Pallavicini opens the doors of its historic halls to host corporate events, gala dinners, presentations, showcases, private events, trade fairs and international exhibitions in an elegant and evocative atmosphere where art, history and contemporary life coexist in perfect harmony.

One of the most prestigious venues in Bologna, Palazzo Pallavicini has always played a leading role in the city's cultural life. Dating back to the 15th century and once owned by important Bolognese noble families, it preserves spaces of extraordinary beauty that have hosted events and distinguished figures, including the young Wolfgang Amadeus Mozart who performed in the Sala della Musica on March 26, 1770.
