

IG Service

Panoramica

Operating in the local and national territory since the early 2000s, IG Service has been implementing solutions in the field of setting up conventions, congresses, exhibitions, parades, showrooms and corporate conventions, aiming to enhance the best the image of its clients.

Backed by almost two decades of experience, the experienced staff members follow the client at 360 degrees, offering an increasingly comprehensive service and proposing solutions in tune with the evolutions and needs of the market. The company employs experienced and reliable staff members to design and implement set-ups with its own projects as well as with external projects.
