

# La Casona Group

---

## Overview

La Casona Group provides organization of business dinners, weddings, refreshments and any occasion that deserves to be celebrated in a special way. Experience and versatility of services make it possible to turn every event into a moment that will be remembered. The culinary proposals draw on the flavors of Bolognese tradition, and focus above all on the quality of the products: it is possible to agree on personalized menus, including ethnic menus, and choose among various solutions of elegant disposable materials or fine ceramics and crystal.
